Permit Alternation Request Letter

Hi Building Officer,

We are submitting a minor alternation to an issued permit. BR21-00666-ADD. The scope of work includes:

1. **converting the open trellis area into accessory space “Pool Bath/Storage” and “Storage Room”; both are unconditional.**
2. **extending the trellis over the patio;**
3. **replacing approved HVAC system with mini split units;**
4. **modifying the approved entry door to pivot door per WUI standard.**

Please find enclosed:

1. This cover letter
2. Project Resubmittal Form
3. (3) sets of Architectural and Structural drawings
4. (2) sets of Structural Calculation

Please contact us if you need extra information for this resubmittal. Thanks.
